NEW BUSINESS

BATTERY ENERGY STORAGE SYSTEM (BESS) LOCAL LAW

Supervisor Ellis stated the Town Board would like to issue a local law on battery storage. At this point Cypress Creek says they have no interest in battery storage, however if this goes through within 5 or 6 years they will probably be looking for battery storage. There is a draft local law that will be available for preview.

Whereas, the Cambria Town Code contains and specifies the local laws, and ordinances of the Town of Cambria; and

Whereas, the Town of Cambria has observed an increase in green energy projects, including battery energy storage systems (BESS), and that the current Town laws do not address the changing technology related to these facilities; and

Whereas, the Town Board of the Town of Cambria has determined that it is necessary to update the Town's Zoning Code to address BESS's, and

Whereas, the Town Board, Town Attorney and the Planning Consultant have drafted a new BESS Local Law and that draft law has been presented to the Town Board, and

Whereas, pursuant to Municipal Home Rule Law, the Town Board is proposing to enact a local law as follows:

Be it enacted by the Town Board of the Town of Cambria, New York, that the Cambria Town Board adopts Local Law No. 2 of the year 2022; the topic is Regulating Battery Energy Storage Systems, as illustrated in the attached copy.

Now, therefore Be It Resolved, that the Town Board would like to start the process of considering these Local Law by referring this proposed Local Law to the Niagara County Planning Board in accordance with General Municipal Law section 239-m, and authorizing the Planning Consultant to begin the SEQR process by completing a SEQR coordinated review to establish the Cambria Town Board as SEQR Lead Agency, and

Be It Further Resolved, that the Cambria Town Board sets a Public Hearing on Local Law No. 2 of the Year 2022 at the Cambria Town Hall, 4160 Upper Mountain Road, Cambria, NY at 7:00pm on May 12, 2022.

Upon a motion duly made by Councilman Foe and seconded by Councilman Roberts it was resolved to adopt the resolution as read by the Supervisor.

The question of the approval was duly put to a vote on roll call, which resulted as follows:

WRIGHT H. ELLIS voting AYE
MATTHEW P. FOE voting AYE
JEFFREY S. HURTGAM voting AYE
BENJAMIN D. MUSALL voting AYE
RANDY ROBERTS voting AYE

The motion was thereupon declared duly adopted.

2022 ADOPTED BUDGET

Supervisor Ellis reported there were some minor discrepancies in the 2022 adopted budget; none that would affect the overall budget. An internal review has revealed arithmetic and input errors that have been identified and corrected. The tax rates for the special districts and the highway fund are correct as they were presented in the Public Hearing and adopted by the Town Board. Total appropriations \$6,419, 392.00 as adopted, it was overstated by \$51,701.00. The issue was an incorrect number in the General Fund and the Fire Protection Fund; the correct figure is \$6,367,691.00
