There was a brief discussion on this application a motion was made by Mr. Rowles and seconded by Mr. Andrews to grant this special permit. All in favor, motion carried.

Old Business **Richard Borkenhagen**
Use Variance **4181 Burch Road, Ransomville, NY 14131**
ZB-UV-2020-004 **SBL# 77.00-1-36**
Use Variance for two dwellings on a single lot

Mr. Borkenhagen was present at the meeting the original application was for a second residence with the square footage it's a little bit more than an in law apartment. The Board had tabled this matter in October to consider this application further. It would be difficult to grant as use variance based on the Zoning Ordinance and applicable Zoning Law.

There was a brief discussion. Mr. Borkenhagen asked if the property could be divided. Mr. Billingsley stated that would require another application, not sure how the buildings would sit on the property. Mr. McCann said that would require a new survey of his property showing the new building.

A motion was made by Mr. Rowles and seconded by Mr. Johnson to adjourn for 6 months which would be the May 2021 Zoning Meeting. All in favor, motion carried.

Old Business **Cory Clark**
Area Variance **5204 Subbera Road, Lockport, NY 14094**
ZB-AV-2020-005 **SBL# 120.07-1-7**
Area variance to permit shed 15 feet off road right- of -way

Mr. Clark was present at the meeting, he has a shed that is 10ft x12ft. that he originally wanted in his back yard but he says it won't fit through his gate so he wants to leave the shed where it is which is not within the Zoning Ordinance, it would need to be 60 feet from the road right of way. It was suggested that he take a couple sections of the fence down to move the shed in, Mr. Clark said due to the ditch that is right by the road it would be hard to maneuver the shed to get it in the back yard.

A motion was made by Mr. Andrews and seconded by Mr. Rowles to deny this area variance because it was feasible to move inside the fence. All in favor, motion carried. Mr. Clark asked if there was a time frame to move the shed, the Board thought 60 days was reasonable.

Timothy Waield was not present they are working on getting plans together for a building permit.
