Motion for Negative SEQRA made by Gerald Kroening and seconded by Roger Schreader, all in favor, motion carried.

Approved

Motion to approve this minor sub-division made by Gerald Kroening, seconded by Roger Schreader, all in favor, motion carried.

Site Plan: **Cody Development 2, 5105 Lockport Rd**
P-SP-2021-003 **Lockport, NY 14094**
 Concerning 3894 Saunders Settlement Rd.
 Sanborn, NY 14132
 SBL # 120.00-1-25.12

This Site Plan was tabled from last month for an Automotive repair shop, Jim McCann toured the place, no bathroom, plan is to install new bathroom. Health Dept. will need to test to see if the septic even works. William Amacher was questioning the floor drain in the building and what they would be doing with the oil, plan is to put it in a 55 gallon drum. Mr. Meyer is the only one working in the garage and there will be a receptionist part time. There were questions about heat, water and a lift, there will be a waiting room for customers, they would be willing to rent a port a john until rest rooms are done. Mr. Wendt stated that they moved the parking for customer vehicles on the site plan to the back, the driveway to get back there is graveled. Mr. McCann stated that it needs to be landscaped. Mr. Wendt said the plan is to get it cleaned up, get an overhead door, a man door and another overhead door in the back. There will be no sales of cars just body work and repairs. Mr. Wendt questioned where to store old tires and McCann stated they should be kept inside the building. Mr. Amacher made it clear there should be no junk stored outside, lighting will need to be addressed. There will be a 8x8 ft. illuminated sign.

The proposed time frame for a bathroom to be put in is 30 days from approval of the site plan. Mr. Amacher stated it would be beneficial to the board to have a detailed final building drawing showing landscaping where the overhead doors, man door, and windows will be placed.

Motion to table until the board is presented with a more detailed drawing for this site plan made by Mike Siczkowski and seconded by Gerald Kroening, all in favor, motion carried.

Next Meeting of the Planning Board will be June 21, 2021 @ 7:00pm
